Southbound US 377 Traffic Shift in Cresson

July 17, 2023

CRESSON – Southbound US 377 at Old Granbury Road will be shifted onto temporary pavement this week. Before the traffic shift, southbound US 377 will be reduced to one lane from 9 a.m. to 3 p.m. while preparations for the traffic shift are completed. Old Granbury Road will also be shifted to permanent paving this week.

TxDOT encourages attention to all warning signs within the work zone as crews complete this project as quickly and safely as possible.

In 2022, 205 workers and road users were killed in work zones. The leading causes – speeding, driver inattention, and unsafe lane changes – are entirely preventable. Protect workers. Protect road users. Drive safely.

###

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, maritime, rail and public transportation across the state.
